Release 28.0 Ref

V28.0C00360

OR

Find

TIC:673681 Built:
1/24/2023

Release is clean.

To satisfy the legal requirements for this release, you must generate and upload the release documentation.

Click the button below to generate the reports.

You will receive an email when the reports are ready.

Once you have completed the obligations report, you can upload it along with the scan report in [Record Center](#).

This release is compliant with OS PDT and evidence is available in Compliance Report.

Generate Compliance Report

Generate Protex Project List

Report request has been submitted.

Upon completion you will receive an email with a link to download the report.
