

Release Compliance Dashboard

Release (Project)

Release 28.0 Refer

Version

V28.0C00402

OR

Find

TIC

TIC:674387 Built: 2/3/2023

Release is clean.

To satisfy the legal requirements for this release, you must generate and upload the release documentation.

Click the button below to generate the reports.

You will receive an email when the reports are ready.

Once you have completed the obligations report, you can upload it along with the scan report in [Record Center](#).

This release is compliant with OS PDT and evidence is available in Compliance Report.
